Dear Sponsors:

Fishing for Memories raised \$275,000 for the Alzheimer's Association in the first eight years thanks to your generosity! We are working to keep the rodeo going during this challenging economy for a couple of reasons. Combined we have three grandparents who are/were victims of this devastating disease. We are working to ensure their generation is the last to suffer in this way. Secondly, we appreciate all the good that comes as a result of the event. It truly is too much to list. Our sponsors have been greatly impacted by the economy. If you know other business owners that love fishing or care about the cause, please help us expand our base.

Fishing for Memories IX will be held at the Abbeville Harbor and Terminal Public Boat launch located adjacent to Maxie Pierce Grocery in Intracoastal City from June 1 – June 4 and will include both inshore and offshore categories. The earlier dates are in anticipation of the federal red snapper season. Winners will receive cash prizes in the adult division. The first-place youth division winners will receive a Lifetime Louisiana Fishing License. Jamie Bergeron & the Kickin' Cajuns will play Saturday, June 3. The auction and awards ceremony will take place Sunday.

Please review the attached sponsor categories and return the application by **May 1** to guarantee your spot on the back of the rodeo t-shirt for Platinum level sponsorships and above and on the banner for all sponsorships. Donations are tax deductible. Proceeds will benefit the Alzheimer's Association. We will also promote sponsorships through Facebook and Twitter.

Your sponsorship will benefit a worthy cause and provide an exciting event for the community. For updates on the rodeo, visit www.fishingformemories.org, LIKE Fishing for Memories on Facebook, follow @alzrodeo, call Carrick at 254-4880, or email us at FishingForMemories@gmail.com. Thank you in advance for continuing to make this a great event for all involved.

Sincerely,
